BALTIC RADIOGRAPHY STUDENTS' CONFERENCE:

RESEARCH AND PRACTICE 2026

06/11

ONLINE

We are delighted to invite you to the 4th International Radiography Students' Conference:
BALTIC RADIOGRAPHY STUDENTS' CONFERENCE: RESEARCH AND PRACTICE 2026

The conference brings together radiography students, lecturers and professionals from across the Baltic region to share knowledge, present student research and strengthen cooperation between education and clinical practice.

P. Stradiņš Medical College of the University of Latvia in cooperation with University of Latvia, Klaipėda University, Kauno kolegija Higher Education Institution, Vilnius kolegija Higher Education Institution, Tartu Applied Health Sciences University and the Latvian Association of Radiographers and Radiologist Assistants invites you to join the 4th International Radiography Students' Conference "Baltic Radiography Students' Conference: Research and Practice 2026".

The conference will take place online via *MS Teams*
ON 6 NOVEMBER 2026,
starting at 09:00 EET.

Participation is free of charge.

Students who wish to present their work are invited to register via the provided link
>> HERE
Deadline of registration 26.10.2026.

The conference programme and online access information will be shared before the event.

Certificates will be issued to presenters.
